EMMAUS CHURCH OF ENGLAND AND CATHOLIC PRIMARY SCHOOL ADMISSION POLICY 2027-2028

Emmaus School is a joint Church of England and Catholic Primary School under the trusteeship of the Catholic Archdiocese of Liverpool and the Church of England Diocese of Liverpool. Whenever there are more applications than places available, priority will be given to Church of England and Catholic children in accordance with the oversubscription criteria listed below. The school is conducted by its governing body as part of the Church of England and Catholic Church in accordance with its trust deed and instrument of government, and seeks at all times to be a witness to Our Lord Jesus Christ.

Our principal role as a joint Church of England and Catholic school is to participate in the mission of both the Church of England and Catholic Church by providing a framework which will help children to grow in their understanding of the Good News and in the practice of their faith. The school will help the children develop fully as human beings and prepare them to undertake their responsibilities as Christians in society. The school asks all parents applying for a place here to respect this ethos and its importance to the school community. This does not affect the rights of parents who are not of the faith of this school to apply for and be considered for a place here.

The governing body is the admission authority and has responsibility for admissions to this school. The local authority undertakes the co-ordination of admission arrangements during the normal admission round[1] . The admission authority has set the school's Published Admissions Number ("PAN") at 60 pupils to be admitted to the Reception Year in the school year which begins in September, 2027.

The admission authority will, where logistically possible, admit twins and all siblings from multiple births where one of the children is the last child ranked within the school's PAN.

Pupils with an Education, Health and Care Plan (see note 1)

The admission of pupils with an Education, Health and Care Plan is dealt with by a completely separate procedure. Children with an Education, Health and Care Plan that names the school must be admitted. Where this takes place before the allocation of places under these arrangements, this will reduce the number of places available to other children.

Within each of the categories listed below, the following provisions will be applied in the following order.

(i) Where evidence is provided at the time of application of an exceptional social, medical or pastoral need of the child which can most appropriately be met at this school, the application will be placed at the top of the category in which the application is made. (see note 9)

(ii) The attendance of a brother or sister at the school at the time of enrolment will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made after children in (i) above (see note 7)

[1] This is for admission to the school at the start of the school year in September and not for applications made in-year.

Oversubscription Criteria

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority.

1. Looked after children and previously looked after children.
2. Baptised Church of England and Catholic children who are living on the Croxteth Park Estate at the time of admission (see notes 3 &10)
3. Other baptised Church of England and Catholic children. (see note 3)
4. Members of an Eastern Christian Church **not** in full communion with Rome (see notes 4)
5. Children of other Christian Ecclesial Communities whose membership is evidenced by a minister of religion. (see note 5)
6. Children of other faiths whose membership is evidenced by a religious leader. (see note 6)
7. Any other children.

Tie Break

Priority will be given to children living closest to the school determined by the shortest distance. Distance will be measured by straight line distance from the child's permanent home address (including flats and apartments) to the school using the local authority's computerised measuring system with those living closest to the school being given preference in the event a school receives more applicants than it has places available in a particular year group.

The local authority carries out straight line measurements to calculate the distance from home to school. Direct distance routine calculates the straight line distance between the child's permanent home address coordinates and the school address coordinates by using the mathematical routine Pythagoras Theorem, based on the Local Land and Property Gazetteer (LLPG) data and national grid coordinates for the school and the permanent home address.

In the event of distances being the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out and supervised by a person independent of the school. All the names will be entered into a hat and the required number of names will be drawn out. This should then be formally minuted for future reference.

Application Procedures and Timetable

To apply for a place at this school in the normal admission round[2], you must complete a Common Application Form available from the local authority in which you live. You are also requested to complete the Supplementary Information Form on the Emmaus website if you wish to apply under oversubscription criteria 2 to 6. The Supplementary Information Form should be completed online via the Emmaus school website by **15th January 2027**.

www.emmausschool.co.uk/admissions

You will be advised of the outcome of your application on 16th April 2027 or the next working day, by the local authority on our behalf. If you are unsuccessful (unless your child gained a place at a school you ranked higher) you will be informed of the reasons, related to the oversubscription criteria listed above, and you have the right of appeal to an independent appeal panel.

[2] This is for admission to the school at the start of the school year in September and not for applications made in-year.

If you do not provide the information required in the SIF and return it by the closing date, together with all supporting documentation, your child may not be placed in criteria 2 to 6 and this may affect your child's chance of being offered a place.

All applications which are submitted on time will be considered at the same time after the closing date for admissions which is 15th January 2027.

Late Applications

Late applications will be administered in accordance with your home Local Authority Primary Co-ordinated Admissions Scheme. You are encouraged to ensure that your application is received on time.

Admission of Children Below Compulsory School Age and Deferred Entry

A child is entitled to a full-time place in the September following their fourth birthday. A child's parents may defer the date at which their child, below compulsory school age, is admitted to the school, until later in the school year but not beyond the point at which they reach compulsory school age, or beyond the beginning of the final term of the school year for which an offer was made. A child may take up a part-time place until later in the school year, but not beyond the point at which the child reaches compulsory school age. Upon receipt of the offer of a place a parent should notify the school, as soon as possible, that they wish to either defer their child's entry to the school or take up a part-time place.

Admission of Children outside their Normal Age Group

A request may be made for a child to be admitted outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. In addition, the parents of a summer born child, i.e. a child born between 1st April and 31st August, may request that the child be admitted out of their normal age group, to reception rather than year 1.

Any such request should be made in writing to Mr Ross, School Business Manager either via email admissions@emmaus.liverpool.sch.uk or handed to the school office for his attention. This must be at the same time as the admission application is made. The admission authority will make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the Headteacher, including the Headteacher's statutory responsibility for the internal organisation, management and control of the school, the admission authority will take into account the views of the parents and of appropriate medical and education professionals and relevant Department for Education guidance, as appropriate.

Waiting Lists

In addition to their right of appeal, unsuccessful applicants will be offered the opportunity to be placed on a waiting list. This waiting list will be maintained in order of the oversubscription criteria set out above and ***not*** in the order in which applications are received or added to the list. Waiting lists for admission will operate throughout the school year. The waiting list will be held open until 31 December 2027.
Inclusion in the school's waiting list does not mean that a place will eventually become available.

In-Year Applications

An application can be made for a place for a child at any time outside the normal admission round and the child will be admitted where there are available places. Application should be made via the Emmaus school website: www.emmausschool.co.uk/admissions you can also contact Mr Ross, School Business Manager via email: admissions@emmaus.liverpool.sch.uk or tel: 0151 233 1414.

Where there are places available but more applications than places, the published oversubscription criteria, as set out above, will be applied.

If there are no places available, the child will be added to the waiting list (see above). You will be advised of the outcome of your application in writing, and you have the right of appeal to an independent appeal panel.

Fair Access Protocol

The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the admission authority is empowered to give absolute priority to a child where admission is requested under any locally agreed protocol. The admission authority has this power, even when admitting the child would mean exceeding the PAN (subject to the infant class size exceptions).

Nursery

For children attending the school's nursery, application to the Reception class of the school must be made in the normal way, to the home local authority. Attendance at the school's nursery does not automatically guarantee that a place will be offered at the school.

The admission authority reserves the right to withdraw the offer of a place or, where a child is already attending the school the place itself, where it is satisfied that the offer or place was obtained by deception.

Notes (these notes form part of the oversubscription criteria)

1. An Education, Health and Care Plan is a plan made by the local authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child.
2. A 'looked after child' has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making an application to the school.
   A 'previously looked after child' is a child who was looked after, but ceased to be so because he or she was adopted, or became subject to a child arrangements order or special guardianship order. Included in this definition are those children who appear (to the admission authority) to have been in state care outside of England and who ceased to be in state care as a result of being adopted.
3. 'Catholic' means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church.

For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact the local Parish Priest who, after consulting with the Archdiocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church.

For a child to be treated as Church of England, evidence of their baptism will be required in the form of a baptism certificate. Those who have difficulty obtaining written evidence of baptism should contact the Church in which they were baptised to obtain a copy certificate.

4. 'Eastern Christian Church' **not** in full communion with Rome includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.
5. "children of other Christian Ecclesial Communities" means children who belong to other churches bodies and ecclesial communities which, acknowledge God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is His body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

   All members of Churches Together in England and CYTÛN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis. Any queries as to membership should be made to the Archdiocese.
6. "children of other faiths" means children who are members of a religious community that does not fall within the definition of 'other Christian Ecclesial Communities at 6 above and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:
   - A religion which involves belief in more than one God, and
   - A religion which does not involve belief in a God.

   Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship. Any queries as to membership should be made to the Archdiocese.
7. 'brother or sister' includes: all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address.
8. A 'parent' means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child.
9. To demonstrate an exceptional social, medical or pastoral need of the child which can be most appropriately met at this school, the admission authority will require compelling written evidence from an appropriate professional, such as a social worker, doctor or priest. (Please see Guidance Handbook for further information).
10. For the purposes of this policy, the Croxteth Park Estate is defined by the Map included within this policy
11. A child's "home address" refers to the address where the child usually lives with a parent or carer, and will be the address provided in the Common Application Form ("CAF"). Where parents have shared responsibility for a child, and the child lives for part of the week with each parent, the home address will be the address given in the CAF, provided that the child resides at that address for any part of the school week.
