

Number and place value

- I can count in steps of two, three, and five from 0, and in tens from any number, forward and backward
- I can compare and order numbers from 0 up to 100
- I can use these signs $<$ $>$ and $=$
- I can use place value and number facts to solve problems

Addition and subtraction

- I can solve problems with addition and subtraction:
 - using objects and pictures
 - mentally and on paper.
- I know my addition and subtraction facts to 20 and 100

Multiplication and division

- I know and can use my multiplication and division facts for the two, five and 10 times tables
- I know my odd and even numbers
- I can solve problems using multiplication and division, in different ways

Fractions (including decimals)

- I know and can write fractions $\frac{1}{3}$, $\frac{1}{4}$, $\frac{2}{4}$, and $\frac{3}{4}$ of a length, shape, set of objects or quantity

Measurement

- I can solve problems involving addition and subtraction of money including giving change

Geometry: properties of shape

- I can compare and sort common 2-D and 3-D shapes

Geometry: position and direction

- I use mathematical words to describe position, direction and movement
- I understand the words clockwise and anti-clockwise

Statistics

- I can ask and answer questions about simple charts
