Dear Alan,

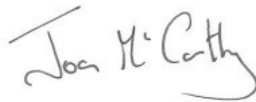

I am writing to congratulate the school community of Emmaus CoE & CPS, on the outcome of the recent Ofsted inspection.

I am grateful for all that the staff have done in providing an excellent Catholic education for the children in their care.

The past few years have been such a period of challenge for us all and to have achieved this judgement is a significant achievement.

I would be grateful if you could pass on my congratulations and best wishes to the staff and the Governing Body.

Yours sincerely,

Mrs. Joan McCarthy
Director of Education
