

Autumn Term 2

C	Religious Education	Collective Worship Theme: Trust Religious Education: Prophecy and Promise Children are invited to understand some of the symbols used during the Advent season, namely the Advent wreath, and to explore how other cultures prepare for Christmas, such as Las Posadas, the nine-day prayer and pageant that originated in Mexico.
	English	We follow the Read, Write, Inc Scheme for Reading.
		We follow Ready, Steady, Write for writing Our vehicle text is: The Night Gardener The children will write a setting description of their own. The children will also write a diary entry of their own. Children will engage in daily sentence accuracy work that allows them to say out loud what they plan to write, compose a sentence orally before writing and develop basic skills in using capital letters and punctuation correctly

Mathematics

Children will continue to learn about number and place value. This will include learning to:

Add and subtract numbers using concrete objects, pictorial representations including:

- A two-digit number and ones
- A two-digit number and tens
- Two two-digit numbers
- Adding three one-digit numbers

Show that addition of two numbers can be done in any order (commutative) and subtraction of one number from another cannot

Recall and use multiplication and division facts for the 2, 5 and 10 multiplication tables including recognising odd and even numbers

Calculate mathematical statements for multiplication and division within the multiplication tables and write them using the multiplication ($\times$), division ($\div$) and equals (=) signs

Show that multiplication of two numbers can be done in any order (commutative) and division of one number by another cannot

Continuous Objectives:

- Count in steps of 2, 3, and 5 from 0, and in tens from any number, forward and backward
- Use place value and number facts to solve problems
- Recognise and use the inverse relationship between addition and subtraction and use this to check calculations and solve missing number problems

	Science	Animals including Humans Exploring the world around us by raising our own questions about: • Life processes • What animals and humans need to survive • Reproduction and growth of offspring to adults • Basic life cycles
	Geography	Continents & Oceans • Naming and locating 7 continents and 5 oceans • Use geographical language to describe geographical features • Develop and use atlas and map skills • Use locational and compass language to describe features and routes on a map
	Physical Education	Gymnastics • Travel • Action • Shape and space • Performing • Levels
	Computing	The internet and online safety
	Music	Playing in an Orchestra • The children will learn about the importance of playing together and learning music.
	Modern Foreign Languages	The children will revise previous vocabulary taught from Year 1 and Autumn Term 1. In addition the children will be taught to: • Repeat and recognise different ways of travelling • Name some ways of travelling • Join in with an action song (Comment vas-tu à l'école?) • Recall all ways of travelling • Take part in a pictogram survey - comment vas-tu à l'école? • Join in with a song about travelling by bus (les roues de l'autobus) • Repeat and recognise 2D shapes. • Describe the shape of presents • Decorate a soulier • Listen to and join in with verse 1 of Petit Papa Noël • Listen to and follow the story of Spot's 1st Christmas • Sing Vive le vent and Marie et Josef songs
	Relationship and Sex Education	How does a community help us to develop our feelings and emotions? Are we always happy in our community?
	PSHE	Celebrating Difference • Boys and girls • Bullying • Standing up for myself and others • Gender diversity • Celebrating difference & still being friends

	Curriculum Enrichment
