Visitors to Emmaus - All the Way From Ireland

On Tuesday we welcomed a group of visitors from Ireland.

They were greeted by several of our Senior pupils in a wonderful manner who carried out their first formal duties impeccably.

Emmaus School was selected as an exemplary curriculum provider.

The visitors were very impressed by the lessons they observed and the behaviour of our pupils.

Well done children we are very proud of you all.

Harvest Festival 2025

Well done Freya

Freya won a trophy on Saturday at her dance awards show for Most Improved in the pre junior group.

We love to share news of our children showing commitment to their out of school clubs.

School Photographer

Tempest Photography were in school on Wednesday taking individual photographs of all of our children and sibling photos too.

The children are bringing home the proofs today - simply scan the barcode and place your order.

We are sure you will be delighted with the quality and choice, the children were amazing and the photographers both complemented them on their behaviour. Well done children.

Request to Parents

For Health and Safety reasons can we please request that children **DO NOT** play on the climbing frames and outdoor equipment either before or after school and that families vacate the grounds promptly. It is imperative that the internal gates are locked as soon as possible in order to keep the children safe in our out of hours clubs.

The first bell goes at 8.50 a.m. and can we politely request that parents arrive as close to this time as possible to avoid congestion around the school grounds.

Thank you for your co-operation and understanding.

News from Year 3

In Science we have been studying flower dissection - we learnt to identify the male and female parts of the flower and recognise how they help the flower to make seeds.

News From Year 1

In Year 1 we have been working hard to learn 3 new words in science - carnivore, omnivore and herbivore! We have been learning about what different animals eat and which group they fit into. We looked at picture clues of different animal diets and decided whether they were a carnivore, an omnivore or a herbivore. We worked scientifically to sort the cards into the correct group.

News from the Eco Committee

We are delighted to inform you that the eco committee have created a sensory garden. This is located on the KS2 corridor outside the 'Green Room'.

The plants are not only visually stimulating but also scented, creating many wonderful fragrances for the children to smell as they pass by.

We feel the sensory garden is a welcome addition for all pupils but will particularly benefit pupils with additional and sensory needs.

The sensory garden was funded by money raised during 'eco week' last year. We would therefore like to take this opportunity to say a huge thank you to all of our Emmaus pupils and their families for making this possible.
