Did You Attend Parents Evening This Week?

Dear Parents

Thank you to everyone who came along to Parents Evening this week.

If you didn't manage to book an appointment with your child's class teacher or you missed it for any reason please ensure you make contact with either the teacher or the school office to arrange an alternative date and time.

Thank you

November meeting of School Parliament

On Wednesday the Emmaus School Parliament children visited the Town Hall for their second meeting of the school year. Today was to celebrate World Children's Day which marks the anniversary of the UN's Convention on the Rights of the Child.

The presentations by schools covered Mental Health, in particular Zones of Regulations and how to be kind to each other.

Schools were offered a new mental health training course for children called Rocket. This is something the children are keen to take part in.

A representative from Children's Services spoke to the children about a festival for Mental Health which is due to take place in February 2026 in which schools can partake.

As you can see from the photographs the Town Hall was decorated for Christmas and the children were able to visit the council chambers for a quick tour and photo opportunity.

More news to follow in the New Year.

Attendance News

A massive congratulations to 2M who had 100% last week!

Well done also to 5B who were the top attenders in the Juniors with a wonderful 99%.

Both classes will enjoy a treat to celebrate.

Our whole school attendance is 96.25% which is great news.

Keep it up everyone!

It's Beginning To Look A Lot Like Christmas - Come to the Christmas Fair Tomorrow

Amazing Children In Our School

News from Year 1

Year 1 started to learn about addition this week in Maths. We began by learning that two parts can be added together to make a whole. We used counters to create our own parts to show the number bonds to 10. We know that there are lots of different ways of making 10. We showed them with our counters and represented the parts on a 'part whole model'.

What a Lovely Act of Kindness

Mia from Year 2 used her own money to buy a child in need a Christmas present.

This is a lovely gesture Mia, we are very proud of you.

News from Year 4

In Science, Year 4 have been learning about the digestive system.

We did an investigation about our teeth to discover which liquids damage them.

We used hard boiled eggs (as tooth enamel) to test the liquids.

Next week, we will rank the liquids from most damaging to least damaging.

We will find out whether our predictions were correct.

Well done Year 4.

Wow Ethel How Amazing!

Back in June, Ethel attended a dance competition in London and was pointed out by the judges who offered her a free space at a huge dance convention in Birmingham and gifted her a ticket for her to take a class with Diversity!!!

She went last weekend and had an amazing time! She was taught by Nathan from Diversity and gained so much from it all, she was one of the youngest in the class and she loved every minute. Well done Ethel.

Christmas Jumper Recycle

If you have any Christmas jumpers at home that have been outgrown or you just fancy a change, please consider donating them to our School Council.

With your support, we would love to create a sale where people can buy a bigger size or new design of jumper for a small donation to Save the Children!

This will help with our Eco pledge to reduce waste.

Please bring in any Christmas jumpers (children's or adults' jumpers are welcome) by Friday 28th November ready for our

Christmas Jumper Sale

on Monday 1st December from 3.15pm outside the main office. Please bring cash!

* Christmas Jumper Day at Emmaus will be on Thursday 18th December * (Nursery children may have a different date)

Don't be 'eflish!
Let's recycle!

Please come along tomorrow and support our Christmas Fair - lots of fun for everyone.

Nursery Rhyme Week in Early Years

We celebrated World Nursery Rhyme Week in Early Years. Reception enjoyed taking part in the 'Rhyme a Day Challenge', performing a different rhyme every day and joining in with a range of exciting linked activities.

We value the importance of sing-

ing nursery rhymes as these lay the foundation for learning to read, helping our children to differentiate sounds, explore rhythm and rhyme, developing vocabulary, confidence and expression. Can you guess the rhymes from the pictures?

"Children who know nursery rhymes by heart have a better phonological foundation for reading" (Bryant et al., 1989).
