## Sublime Science Visit to School

With thanks to Sublime Science for visiting Emmaus and delivering a number of fun-packed workshops for our Infants and Year 3 pupils.

The children thoroughly enjoyed the exciting sessions with 'Molecular Mel' and learned so much about science whilst having a great time.

### Let's Focus on Attendance

Have you downloaded the Arbor app to enable you to get a clear picture of your child's attendance in school? If not please give this your urgent attention as it is imperative that we have ALL families on the app.

Each week we celebrate the class in both Key Stage 1 and Key Stage 2 with the highest attendance for the previous week, this is an exciting event for the children and they really look forward to receiving their treat if they are in the winning class.

Well done to 2M and 3H on being the best attenders last week.

# Y4 PGL Residential – What a Wonderful Experience

## Well Done Isabella

Isabella from Year 4 last weekend competed in the Northwest vault and floor championships. We are delighted to say that she came first for vault in Merseyside and Cheshire winning a gold medal!

What a fantastic achievement, well done Isabella we are very proud of you.

## Year 4 PGL Residential Trip

Last week, many Year 4 children spent a few days and nights at PGL, Boreatton Park in Shropshire having a brilliant time.

It was fantastic to see our children trying new activities, like the Giant Swing and Zip Wire. They were so brave and supportive of one another too; they were a real credit to their families.

The staff were extremely proud of each and every child. We all had fun and some sleep, as well. Behaviour was amazing!

We would like to thank all of the staff who enabled this wonderful trip to take place, these residential trips would not be able to go ahead if staff didn't leave their own families behind to allow our children to make unforgettable memories and enjoy this experience.

We would like to thank the children for showing how special Emmaus children are. There are lots more amazing photographs on our school website too, so please take a look.

# Special Menu

## Date for your Diary

THURSDAY 21<sup>ST</sup> MAY

Dear Families,

On **Thursday 21st May**, our school catering team will be bringing the sunshine indoors with a themed menu – a **Day at the Seaside**.

Children will be able to enjoy a summer lunch special of **Beach BBQ Chicken** (halal & veggie alternatives available), **Rock Pool Rice** and **Seaweed Style Salad**, followed by a **Treasure Chest Cookie Bar**. It's a bright and cheerful menu designed to capture the fun of **British summertime**.

An identical **Allergen Aware Menu**, will also be available so that every child can join in the fun.

Simply let the teacher know on the day if you would like to take part in this special day. If you're new to school meals and would like to give them a try, this is a great opportunity!

A reminder that all children in **Reception, Year 1 and Year 2** are entitled to free school meals. Children in older years may also be eligible — you can check here: <https://www.gov.uk/apply-free-school-meals>

We hope as many children as possible will join us for this exciting themed day.

### Update on Apps Used by School

Please can we clarify that all payments and consents for trips and experiences, along with payment for out of hours clubs, continue to be made on the School Gateway app with the exception of payment for school meals which should now be made on the Arbor app.

Going forward school will eventually be moving all payments etc. to the Arbor app to simplify the system for families..

The Parentapp Connect continues to be where you will find any letters, newsletters etc.

**At present, please ensure you keep access to all three apps. Keep your notifications turned on to ensure you are up to date with everything that is going on in school which involved your child.**

Thank you for your continued support.
