Welcome Back to School

Explorers Day in Year 1

Our Year 1 children rounded off the last half term with an unforgettable Explorer's Day, celebrating all their fantastic learning about the intrepid explorers Christopher Columbus and Neil Armstrong.

We were lucky to welcome Zoe from Altru Drama, who brought our topic to life with energetic sessions filled with music, actions, poems and songs. The children walked on the moon, shouted "Land ahoy!", and even created their very own performance to share with their teachers — a true highlight of the day.

The adventure continued with an exciting explorers trail around school. The children became real-life explorers as they made maps, read riddles, solved space codes, collected moon rocks and sorted artefacts. Their enthusiasm, teamwork and curiosity shone through every step of the journey.

A huge thank you to our wonderful families for supporting the day so brilliantly. The children looked incredible in their explorer-themed outfits — your creativity and effort made the day feel extra special. And a big well done to the Year 1 teaching team for organising such a fun, memorable experience to end the half term. What an adventure it was!

Attendance News

Well done to 1E and 5B on being the top attenders in the last week of our last half-term.

As you can see our attendance last week was very disappointing and this has had a detrimental effect on our whole school attendance which now stands at 95.1%.

Please check your Arbor App to see your child's live attendance figure. School can only authorise absences in line with our school attendance policy and when all procedures are followed correctly. Thank you for your support.

Winning House

This week Iona was the winning house with 1061 house points. Well done to Iona and to all of the children who received Merit Certificates today.
