

Year 6 Residential to PGL Winmarleigh Hall

Year 6 had a fantastic time at Winmarleigh Hall during their PGL trip. Despite the rain, the children's spirits remained high and nothing could dampen their enthusiasm. They enjoyed a range of exciting activities, including building their own rafts and testing them on the lake, bravely taking on the giant swing, and challenging themselves on the climbing wall.

Throughout the trip, the children represented Emmaus brilliantly. They showed great teamwork, resilience, and positivity, and their behaviour was exemplary at all times. We are incredibly proud of them!

A big 'Thank You' to our staff members who gave up their time with their own families to allow the children to take part in this amazing experience and create unforgettable memories.
