

Sports Days 2026

Thank you to all of our families who have supported the children in their 'Sports Days';

We eventually managed to hold the Y1 and Y2 sports day this week after having to be cancelled for the extreme 'heat', makes a real change from cancelling for the rain! What a wonderful experience it was, enjoyed by the children and their families alike.

The Junior sports day took place last week which was also a huge success and enjoyed by all.

We are delighted to share some photos from both events with you.

A lot of hard work and preparation goes into these events by the staff, I am sure you will agree they are wonderful events.

The children were brilliant, well done to them all.

VERY IMPORTANT RE-MINDER

Have you downloaded the Arbor App?

If not, it is imperative that you do so as a matter of urgency or you won't receive important information with regard to your child.

The Arbor App will soon be our primary app - ensure you have access to it and that your notifications are turned 'ON'

Thank you.
