LEES
Debra Joyce
(Debz)

21/11/1960 – 23/08/2026

As you are aware from my letter on Tuesday, our return to school has been very much overshadowed with great sadness with the news of the loss of Mrs Lees, one of our Teaching Assistants who very sadly and suddenly passed away during the summer holidays.

Please can I again ask you to keep her family, friends and colleagues in your prayers.

Winning House

This week Taize was the winning house with 324 house points.

Well done to Taize and to all of the children who received Merit Certificates today.

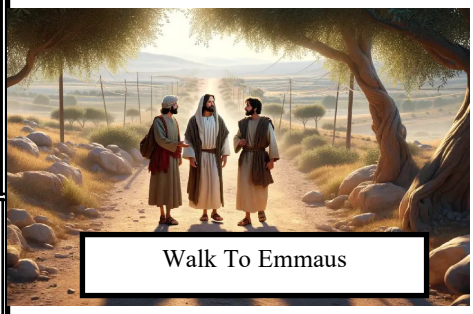
Message To Our Families

Can I take this opportunity to wish you all a very warm welcome back to school.

'Thank You' once again for your generosity at the end of last term, this comes from all of the staff, it is very much appreciated.

It is wonderful to see all of our children return to school looking so smart in their uniforms, all ready to commence the next stage of their Emmaus journey with their new teachers.

Next week we will begin to welcome our new Nursery and Reception children as they begin their staggered entry.



Walk To Emmaus

We are delighted to have you all with us at Emmaus and look forward to watching you grow within our Emmaus family.

Be Kind, Be Brave, Be Honest, Be Creative, Be Humble, Be Thankful, Be Happy, Be You

Attendance Is The Responsibility Of Everyone In School

Attendance

Today we have given out the 100% attendance awards from the last academic year. This includes the bronze awards (100% from Easter to Summer), Silver awards (100% from Christmas to Summer) and of course Gold awards (100% for the whole year).

It is wonderful to celebrate the achievements with the children who are so excited and proud to receive their awards.

Please be reminded of the importance of regular school attendance.

Please DO NOT book holidays in term time, these WILL NOT be authorised and the Local Authority will issue penalty notices as per the framework which came into place last summer. If you require a further copy of this, please ask at the school office.

Our target is 96% and we will be doing everything possible to achieve this. As always, we will be working closely with our Education Welfare Officer and monitoring the attendance of every child in school.

Remember, EVERY SESSION COUNTS. Each day has two sessions - a missed morning is preferable to a whole day, if your child's condition improves bring them in for the afternoon .

If your child is going to be absent it is imperative that you inform the school office on the first day of absence. You can leave a message on the answerphone giving as much information as possible which includes the reason for absence and likely return date.

Finally, just a reminder of the importance of arriving at school on time.. Any children who enter through the front main entrance will receive a late mark. The best start to the children's day is to line up with their friends and enter through their classroom door.

Thank you for your continued support.

Out of Hours Clubs

Both the Breakfast Club and After School Club are proving very popular this year and some days are already full.

If you have not yet done so, please speak to Mrs Hope in the school office if you wish to discuss session availability.

Payment for both clubs is now to be made on the Arbor app and it is vitally important that payments are kept up to date to secure future bookings.

Update to School Systems

We continue to move as much as possible onto our Arbor app which will become our main system of information, communication, payment and consent.

You can now delete the School Gateway app as we will no longer be using this.

All payments can now be made on the Arbor app for school meals and the out of hours clubs - please log-on and check your accounts. It is extremely important that payments are kept up to date. If you have any questions or queries, please do not hesitate to contact the school office. Thank you.
