PRIMARY SCHOOL

Mission Statement

We are friends journeying with Jesus in faith, hope and trust as we live, love and learn together

Welcome Back to School

Dear Parents

Welcome back to school for the final half-term of this academic year.

There are lots of exciting events, trips and opportunities for the children this half-term.

Please continue to regularly check your Schoolgateway account to ensure that all consents are up to date for your child to take part in anything that is available for them.

Thank you for your continued support. **Mr Williams**

Year 1 Made Smoothies

Just before half-term Year 1 had a wonderful time preparing and making their own smoothies. They chopped, juiced and blended their chosen fruits from a recipe of their own and described the taste using words like 'sweet' and 'sour'.

This was part of their DT Food and Nutrition learning for this year.

A massive 'Thank You' to the Friends of Emmaus who purchased Ninja blenders for school which were used and will now be available for the other children in the future.

'Thank You' Friends of Emmaus For Your Amazing Support

Message from Father Anthony - Our Lady Queen of Martyrs

The Parishes of St Teresa's, Norris Green and Our Lady Queen of Martyrs and St Swithins, Croxteth, will be holding a joint celebration of Mass and festivities on Sunday 8 June for the feast of Pentecost.

This continues the good working relationship that has begun in our 'Family of Parishes' network. Both communities will come together for Mass at 11am in St Teresa's, followed by a social get together in St Teresa's Club (under the church) afterwards. Food will be provided by members of both parishes.

Please note that this will be the only Mass in either parish over this weekend. Everybody is very welcome to join us.

Fr Anthony

News from Year 3

Year 3 have been busy making clay sculptures in the style of Antony Gormley.

Well done Year 3.

Well Done Brodie

Brodie had a kickboxing championship in the Braehead Arena in Glasgow on 1st June. He fought in advanced points and won the quarterfinal receiving a bronze medal!

There was a round of 16 brackets and over 1000 people came!

Well done Brodie, we are very proud of you.

Trips Next Week

Monday 9th June

Year 6 will be visiting the Anglican Cathedral on Monday 9th June for the Leavers' Service. Parents are invited to attend the service which will start at approximately 1 p.m. and last around an hour. The Year 6 children are required to bring a packed lunch on this day.

Wednesday 11th June

The choir will be visiting the Metropolitan Cathedral for the Good Shepherd Mass. Parents are invited to attend the Mass which will commence at 10.30 a.m. and last approximately an hour.

PLEASE ENSURE YOU HAVE GIVEN CONSENT ON THE SCHOOLGATEWAY APP FOR YOUR CHILD TO TAKE PART.

Thank you.

EMMAUS ECO WEEK

We would like to take this opportunity to say a huge thank you to all of our parents, carers and families for your support during 'Emmaus Eco Week' at the end of last half term. The week was a real success and all pupils from Nursery to Year 6 had the chance to learn about the environment through a range of fun activities. We'd like to share some of our fun experiences from the week...

The Eco Committee and Geography Ambassadors worked hard at break-times selling Fair Trade Maltesers.

Thank you everyone for your contributions!

The sale of the Maltesers has raised awareness of Fair Trade for the children.

Year 1 Visit to St. Cuthbert's Church Gardens

Our Year 1 pupils had lots of fun taking part in a bug hunt in the Church gardens. We received some lovely feedback from the church to say how well behaved and polite all of the children were.

Well done Year 1!

THANK YOU

Year 5 and Year 6

Litter Picking

Our Year 5 and Year 6 pupils worked very hard litter picking in the local community with our Local Councillor, Lila Bennett.

The children removed a huge amount of rubbish from our local area.

Brilliant work everyone!

We were very fortunate to have not one, but two, special visitors coming to our school to present eco themed assemblies.

Our KS1 pupils had lots of fun learning all about Electricity with 'Wacky Jackie' from 'Fun Science'.

Our KS2 pupils were amazed to learn all about wildlife living on our estate in a special assembly presented by Su Jones from Croxteth Park Residents Association.

Years 2,3 and 4 worked on an important task to support Croxteth Park Residents Association.

Su Jones from CPRA, delivered lots of bug and butterfly houses and the children assembled them and decorated them beautifully!

These will be distributed around the estate to encourage wildlife to our local community.

In addition to all of these wonderful activities, the children had a different environmental focus for each day of the week. This provided opportunity for lots of thoughtful classroom discussion and some related written tasks. We worked on the following themes: Monday- Fair Trade, Tuesday- Greta Thunberg, Wednesday-Electricity and Renewable Energy, Thursday- Recycling and Friday- Deforestation.
