David has recently joined the Liverpool Sign Choir and is loving it

Over the Easter holidays he did his first public performance at Alder Hey for an hour and then to the Liverpool town hall for an hour performing to the Lady and Lord Mayor.

Well done David, this is wonderful news.

Nursery News

We developed our independence skills by taking off our shoes, putting on waterproof trousers and jackets then putting on our wellies ready for water fun!

We transported water from the tap in a variety of containers, buckets and wheelbarrows. We took turns using the lever to pump water from the water tank down the channels....we got splashed! It was great fun. We developed gross motor skills when painting too using the rollers and decorator brushes.

Some children made sand castles with their friends. Others made magic potions, chocolate cake, strawberry cupcakes and mud soup. We chatted as we shared the whisks, bowls and spoons.

It was fun catching the number ducks and digging a "swimming pool" in the sand together.

We loved jumping in the bubbly puddles!

ADVICE FROM A Sunflower:

BE BRIGHT, SUNNY AND POSITIVE. Spread seeds of happiness. RISE, SHINE, AND HOLD YOUR HEAD HIGH.

Spreading Sunshine in Reception

The sun has been shining in Reception as we have investigated flowering plants this week. We shared stories, non-fiction books and sang seasonal songs before planting sunflower seeds in our outdoor area. Then we looked at Van Gogh's famous work of art and painted our own floral masterpieces. The children are excited to take home their seedlings next week to nurture and observe as their sunflowers begin to grow...whose will grow the tallest?
