Flat Stan First Aid Training for Year 3 & Year 4

Year 3 & Year 4 have been learning first aid techniques with Flat Stan.

What a great opportunity to find out more about how we can help others around us. The children then followed it up with some emergency call 999 training in the classrooms.

Thank you for your continued financial support, these initiatives really are an amazing addition for the children.

Attendance News

Year 1 to Y6 children will all be bringing home a chart of their attendance with their progress report today. Reception parents will also receive a copy separately. This gives you all the opportunity to see exactly where your child is up to with their attendance and their punctuality.

Well done to 2M and 6D on being the top attenders for last week, 6D with 100% - this is fantastic! You will all receive a treat and have the mascots in your class for next week.

In school we always strive for the best possible attendance. We value your support and ask you to continue to speak to your child's class teacher or the school office if you have any queries or concerns.

Thank you.

IMPORTANT MESSAGE

Statutory Regulations on attendance now states any child who arrives in school after 9.25 a.m. (30 minutes after the close of registration) will receive a 'U' mark which counts as an absence for that session.

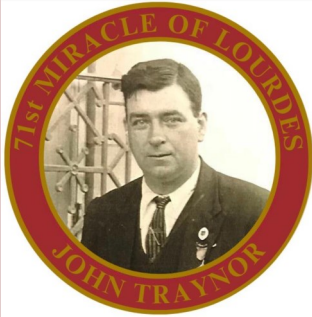

A KIND WORD IS LIKE A SPRING DAY

Sublime Science Visit for British Science Week

Lovely News to Share

Elsa from Year 5 had the wonderful opportunity and honour recently to take part in a very special mass at the Metropolitan Cathedral when the Archdiocese came together to celebrate the official recognition of the miraculous cure of John (Jack) Traynor just over 100 years ago.

He is the 71st recognised miracle of Lourdes and the very first one in the UK.

Elsa is pictured with Cardinal Vincent Nichols (the Archbishop of Westminster and head of the Catholic church in England and Wales) who took part in the service.

Well done Elsa, we are very proud of you.

Eco Council Tip of the Week

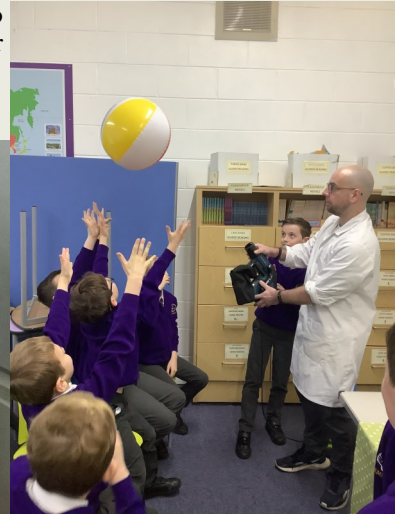

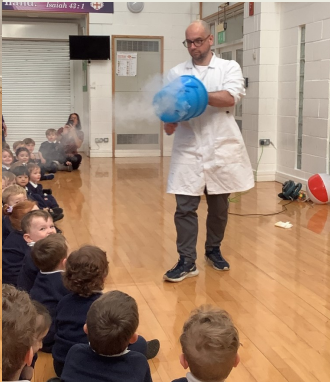

Growing your own food is enjoyable and rewarding and a way to be kinder to the planet.

Sublime Science Assembly and Workshops

Yesterday, we had a wonderful opportunity of hosting 'Sublime Science'. The day was planned to focus on British Science week, this year's theme being 'change and adapt'.

The whole school had a fun packed assembly, followed by engaging and entertaining workshops for KS2 which were linked with many aspects of our Science curriculum. Sublime Science will return in the Summer term to hold workshops for EYFS and KS1.
