Attendance News

We are now into the second part of the Spring term and our current whole school attendance stands at **95.80%**

We are really hoping to improve this in the coming weeks, getting back over the 96% and are relying on you all for your support with this.

Our new electronic signing in system is now working alongside our classroom based registration system and proving to be very successful. Please remember if your child arrives into school through the front main entrance they must be signed in on the system.

Well done to 2W and 5C on being the top attenders during the final week of last half-term. You will both enjoy a treat.

Every day counts remember and each day has two sessions. Thank you for your continued support.
