## Eco Committee tip of the week:

### As we begin 2025, why not pledge to become more eco friendly!

Being eco friendly means living in a way that is not harmful to the environment. This way of life is becoming increasingly important, as we must protect our planet from man-made damage. There are various ways an individual can make sustainable changes to lessen the negative effects our daily lives usually contribute to.

Here's one small way we can help:

Donate clothes. As children grow older, their school uniforms will undoubtedly have to be changed. Instead of throwing the clothes out, parents should consider donating the clothes back to the school or to other parents who are in need.

School have a clothing rail in the main entrance where parents can purchase good quality used uniform for just £1 per item with all money raised going back into our school community. Take a look.

## What a Caring & Thoughtful Gesture

A huge well done and 'Thank You' to Ida and Aubrey who gave up their time on Christmas Day to walk around Liverpool City Centre giving out presents to the homeless.

This is a such a beautiful and caring gesture, I am sure you brought a smile to a lot of people who are less fortunate.

Well done girls, we are extremely proud of you.

## NEW YEAR PRAYER:

Thank You Lord for giving me  
The brand new year ahead.  
Help me live the way I should  
As each new day I tread.  
Give me gentle wisdom  
That I might help a friend,  
Give me strength and courage  
So a shoulder I might lend.  
The year ahead is empty,  
Help me fill it with good things  
Each new day filled with joy  
And happiness it brings.  
Amen.
