PRIMARY SCHOOL

Mission Statement

We are friends journeying with Jesus in faith, hope and trust as we live, love and learn together

Advent Service in School

A big thank you to Reverend Kate who came to school on Tuesday to host our school Advent Service.

Advent means "arrival" and signifies the start of an event or the arrival of a person. In Christian communities around the world, Advent refers to a four-week season of remembering and celebrating the arrival of Jesus on Earth.

All of the children enjoyed a beautiful service to mark the start of Advent. We are very grateful to the support of our local clergy, thank you.

TOUS ENSEMBLE, EN CHEMIN AVEC JESUS

Eco Council Tip of the Week

Buy fruits and veggies that are local and in season.

Buying produce that is local and in season helps reduce your carbon footprint as your food doesn’t have to travel as far to get to your supermarket. You can also cut out the middle-man by checking out your local farmers market to get fresh produce that is in season.

If you want to keep some of your summer fruit and vegetable favourites available all year round, try freezing them so that they last over the winter.

Well done David

Yesterday the Daisy Centre had an annual awards night. It was mainly for the adults but they had one award for the children which was Mini Smiler of the year which David was awarded with a trophy and certificate. This is in recognition of all his hard work and fundraising throughout the year and always having a smile on his face (he was a little overwhelmed on this picture).

Well done David, we are very proud of you.
