EMMAUS CHURCH OF ENGLAND AND CATHOLIC

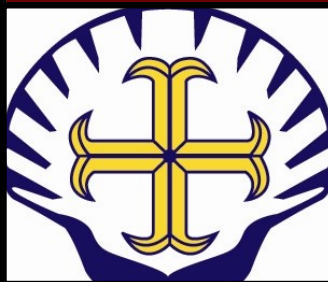

PRIMARY SCHOOL

Mission Statement

We are friends journeying with Jesus in faith, hope and trust as we live, love and learn together

Thank You From North West Cancer Research

This morning we had a lovely visit from 'Hope' Bear and her friend from the North West Cancer Research to say a personal 'Thank You' for our amazing fundraising event last month.

Thank you to all of our

families for your amazing and generous support in raising the magnificent sum of **£3625.50.**

Thank you also to Miss Fitzgerald for arranging this fundraising event.

ATTENDANCE EQUALS ACHIEVEMENT

Attendance News

Well done once again to 1E who have 100% attendance for the second week in a row - this is fantastic, well done!

5C were close behind with 99.35% and are the top Junior attendance for last week.

You will all enjoy a treat and have the attendance mascots with you in class next week.

As we have previously reminded you, any child with an attendance of 90% and below is classed as a persistent absentee and relevant steps have to be taken in line with Local Authority guidelines.

If you receive a letter or are asked to attend a meeting in school it is really important that this appointment is kept or that you contact either Mr Williams or Mrs Hope in order that school can support you in any way possible with regard to your child's attendance.

Remember we are all part of the same team in this and your child's attendance in school is the important outcome. Thank you for your support.

Wishing You Strength For Today & Hope For Tomorrow

Early Years Celebrate World Nursery Rhyme Week

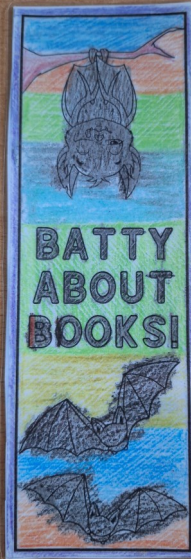

Norris Green Library Halloween Bookmark Competition Winner!

So many children took part in their Halloween bookmark competition.

We are excited to say that Lennon O'Hare (3CB) was a runner up! Well done Lennon.

His winning bookmark has now been made into laminated bookmarks that are available for members of the public to take home and use for their books.

Please keep your eyes peeled for more of these fun library competitions that will be popping up in the future.

Tip of the Week from the Eco Council

Make your own granola bars

Store bought, individually wrapped granola bars may be tasty, but there is a healthier, more environmentally conscious option- make your own! Making your own granola bars is not only super easy, cost-effective, and better for your health, but you'll also be saving countless individual wrappers from the landfill that take hundreds of years to break down. This super simple recipe is nut-free, has less than 10 ingredients and requires no baking. Swap or add any ingredients you would like!

- Combine 1 cup of pitted dates and ½ cup of coconut oil (melted) to a food processor to create a paste.
- Combine your dry ingredients: 1 cup of rolled oats, ½ cup of raisins, ¼ cup of shredded coconut, and ½ cup of chocolate chips. Mix together well.
- Combine the date and coconut oil paste with your dry ingredients, knead together with your hands until well combined. Firmly press your mixture into a baking sheet pan lined with parchment paper.
- Chill the bars in the freezer for 30 minutes. Then remove from the baking sheet pan, cut into bars and serve in your favourite reusable container or wrap in reusable beeswax food wrap!

Science in Year 4

Today in 4D, we began our investigation into how different liquids affect teeth and cause them to decay. We used eggs to represent teeth.

We placed an egg into 4 different liquids and we will explore what has happened to them in a week.

"nursery rhymes can help develop phonemic awareness, which is critical for learning to read" (Adams, 1990).

Nursery Rhyme Week

We celebrated World Nursery Rhyme Week in Early Years. We enjoyed taking part in the 'Rhyme a

Day Challenge', performing a different rhyme every day and joining in with a range of exciting linked activities.

We value the importance of singing nursery rhymes in Nursery and Reception as these lay the foundation for learning to read, helping our children to differentiate sounds, explore rhythm and rhyme, developing vocabulary, confidence and expression.

Keep singing the Nursery Rhymes at home!

Thank you for your continued support.
