We are friends journeying with Jesus in faith, hope and trust as we live, love and learn together

'Hope Run' for North West Cancer Research

Wow! What a fantastic day we had on Monday when we held our 'Hope Run' for North West Cancer Research.

The 'Hope' bear had a fabulous time with our children in school and is pictured here with our top fundraisers.

We are delighted to inform you that the total was **£3625.50** and this was raised by just 99 children who brought in sponsorship forms.

A huge 'Thank You' to the families that took part and also to Miss Fitzgerald who hosted the event.

The quote from the ladies who visited from the North West Cancer Research was *"we have been to a lot of schools and Emmaus is right at the top of the list for organisation and behaviour"* - what a lovely comment to hear. We are very proud of you children - a massive well done.

There are lots more photos and videos from the event on the website - please take a look.

Thank you once again for your amazing support and generosity.

Year 3 Trip to the Museum

Year 3 enjoyed an exciting day at the World Museum to enhance their learning about the Ancient Egyptians.

They sketched many artefacts, learnt to read some hieroglyphics and mastered the technique of mummification!

Many thanks to the parent volunteers who accompanied us on this trip.

Pumpkin Fun

We looked at the large pumpkin skin and guessed how it felt before touching it, it was smooth with some rough parts too. We used safety knives to chop and cut the pumpkin. We looked at the seeds. We felt the

inside of the pumpkin; we found out that it was soft and wet. We thought of other words to describe how it felt. Some children had carved pumpkins at home...Joshua and Harrison made a good job of pumpkin carving!

Some children tasted roasted pumpkin soup with crusty bread. We served ourselves using a ladle.

Cobie really loved the soup.

Go to the Nursery webpage to see lots more photos.

School Meals

There is an exciting new school menu starting on the first day back after half-term.

Take a look on the Parentapp and also on the website to view the 3 week rolling menu.

Please be reminded YOU MUST inform the school office if you wish to change your child's school meal default pattern and give one week's notice.

Thank you.

Payments to School

Please can we express the importance of regular payments to school and keeping check on your accounts in the SchoolGateway app.

In order for school meals to continue to be provided they must be paid for on a weekly basis and the balance must not go into arrears.

Breakfast Club and After School Club are very popular. YOU MAY LOSE YOUR PLACE if regular payments are not made and the account falls into arrears.

Extra Curricular clubs for after half-term are now live on the app also, sign up now to secure a place.

All consents and payments are put on the School Gateway app, please keep checking in order that your child doesn't miss out on things that are happening in school.

If you have any questions, queries or problems getting onto the app please contact the school office.

Thank you.
