- Positive report from parents evening.
- Not much feedback in general.
- We've only had one meeting.
- Progress has only come in dribs and drabs and not regular. But when it is passed, it is of good detail.
- The ParentApp is so helpful especially with future dates.
- It would be nice to see more regular updates on my child's progress.

I would recommend this Nursery to another parent.

- The routine, activities and opportunities. My son loves it!
- The staff, activities the children do, French lessons. All of it.
- The staff go above and beyond to make the children comfortable and happy in Nursery. They build their confidence so much it is visibly noticeable
- We've only dealt with Nursery teachers but all of them have been amazing with our 3 kids over the years.
- Amazing teachers and such a family ethos.
- Preparation for Reception and improving independence.

How could we improve?

- None I can think of.
- More interaction and communication with parents.
- I have not a single thing to write here.
- Very hard to improve.
- More opportunities for parents/carers to engage in stay and play activities.
- More communication on child's progress throughout the year. More regularly.
- Maybe a little more feedback (weekly/monthly). However, Nursery has been difficult this year with change of staff so understand totally.
- Finding out a bit more of what my child is learning each day.
