5	Emmaus Nursery does its best to involve parents.	7			
Comment <ul style="list-style-type: none"> • Staff update us with what they did at pick up, on the website or on Instagram. Also, from messages sent on the app. • The online updates are fantastic. • Mrs Caulfield and the team keep me updated and are always willing to take time for an appointment. • The pictures and videos are brilliant to keep us up to date and we are regularly updated at the door too at pick up time. • Yes, I really enjoyed the school trip and assembly/nativity. Emails are great on the app. 					
6	Emmaus Nursery does its best to make sure its pupils behave well.	7			
Comment <ul style="list-style-type: none"> • Correction of any wrong behaviour, telling them what to do to apologise, time outs and teaching them to understand manners. • We see the other (older) children being well behaved around the school. • I know they use a range of different tactics and encourage us to implement ways at home too, if not already doing so. 					
7	Emmaus Nursery does its best to respond to the individual needs of my child	7			
Comment <ul style="list-style-type: none"> • Again, with frequent toilet breaks. She has had a few toileting accidents but that is due to her being distracted/playing. Staff constantly remind her and keep an eye on her. • I have never had any issues.

	<ul style="list-style-type: none"> Staff tell specifics about my child – they clearly work with him as an individual. Some concerns were raised by myself as well as the teachers on certain behaviours and she had special attention to combat these which worked wonders and now no issues. 				
8	Emmaus School is led and managed well by senior staff and governors	7			
<p>Comment</p> <ul style="list-style-type: none"> From what we have seen so far since September, it is one of the best schools. We are very happy with the culture and ethos. We have little contact with senior staff/governors – but the overall school experience they have created is excellent. 'Outstanding in all areas' speaks for itself. Well done! All staff seem lovely and whenever I have phoned they always tell me the correct info. 					
9	Emmaus Nursery responds well to any concerns I raise.	7			
<p>Comment</p> <ul style="list-style-type: none"> Always listened to and we get feedback afterwards. Yes always. 					
10	I receive valuable information about my child's progress and what is happening at Emmaus Nursery.	7			
<p>Comment</p> <ul style="list-style-type: none"> Online app and pictures. We love the update photos. Yes, great communication. 					
11	I would recommend this Nursery to another parent.	7			
<p>In your opinion, what are the best things about Emmaus Nursery?</p> <ul style="list-style-type: none"> Connecting and learning with other children, the staff are committed and friendly. Teaching religious education, nature and loving what they do. They have created an environment that my child loves. He is excited everyday about school. We can see his progress at home, but also at school with regular online updates. Lots of different activities, lots of photos are posted online so you can see what your child has been learning. The children are well cared for. Emmaus is a very loving school and is always putting the child's needs first. The connection the staff have with the children and community. The wide range of educational activities they do. Staff/Nursery teachers are amazing. Teaching and learning is great, so many available activities happening. Outside agencies coming in. 					
<p>How could we improve?</p> <ul style="list-style-type: none"> My child is content and happy in Emmaus Nursery and I think it is a brilliant school. My child has come on so well. Possibly making notes of what the children eat and drink. Otherwise everything else has been lovely. We would have sent him for full days but only could for ½ Days. (We would have been happy to pay for the additional time!). I think you are already doing a great job. Nothing major, but I would like to be invited in along with parents maybe one Friday afternoon every term to read or be a part of the class in some way. But the school is brilliant. I don't have any issues or improvements.
