<p>In your opinion, what are the best things about Emmaus?</p> <ul style="list-style-type: none"> We couldn't ask for better for my child. Outstanding school that goes above and beyond. Staff in Reception are so nurturing whilst also giving children confidence to be independent. I would strongly recommend. Best things are the curriculum activities, communications, playground. School is just perfect. Care and passion for teaching. We cannot thank you enough for the hard work you put in and the opportunities you provide our children. Been so supportive during a difficult time. Community, safety, caring staff. How caring the teachers are to everyone. The teachers genuinely care about the children and want them to progress. They involve parents as much as possible to help achieve this. Friendly staff, great facilities, good activities and trips for Reception (bike riding and Story Barn). Staff provide a safe and happy environment for the children. Children are treated as individuals which shows in our son who has SEN. The staff communicate to parents extremely well. The scale Emmaus provides goes beyond expectations. Thank you to all the staff. Everything, sending my child here was the best decision. The care and welfare of the children is great. How much they care about each child, they know each child as an individual and give as much love and care as if they were their own.
